Hi

Further to the invalid letter recently received please find attached revised drawing 21-012-01A. This now indicates the existing/proposed drive.

In order of the points raised:

1. Yes happy with amended description.
2. As discussed in this instance don't believe this is needed or relevant. Drive access remains the same.
3. On drawing 01A the smallest bedroom (bed 3) is to become a study to accommodate working from home. Therefore the number of bedrooms remains the same.

Should you have any further query let me know.

Regards

Jon
