Dear Sirs,

Proposed upgrading of Existing 11KV Overhead Lines to 3 phase (3 Wires) – Approximately 8500m in the Middleton Scriven Bridgnorth area.

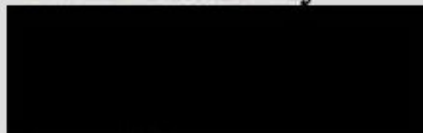

Please note that this letter is written on behalf of Western Power Distribution (West Midlands) plc.

Please find enclosed three copies of a Form B Section 37 Application.

If you have any questions or wish to discuss the matter further please do not hesitate to contact me on the above number.

Many thanks for your assistance with this matter.

Yours faithfully

Robert Birt
