Dear Sir

Section 50 Licence – White House Cottage, Kilkhampton

Please find enclosed the approved section 50 licence for works at the above location.

This should be kept with your title deeds for future reference.

Should remedial works be required, because of a defect within the 2 year guarantee period, as per Section J29 of the Guidance Notes: The guarantee period will begin from the date the Street Authority is notified (by form SWL5) of the permanent reinstatement and will last for 2 years for excavations up to 1.5m deep and 3 years for deeper ones. You will be liable for any additional inspection fees (£42) incurred by a defect.

Please make your contractor aware of this condition. Any necessary remedial works carried out by your contractor should be done without any further cost to yourself.

For your information I have sent a copy of this licence to the contractor.

Yours faithfully

Joyce Gibbings

for Street Works Co-ordinator

Contractor: In accordance with the new Code of Practice, on the completion of works, **another map, detailing precise location of works if it differs from the original, must be sent with the R1 please.**
