For your further assistance, we enclose additional information:-

- Site Specific Supplementary Information (including copies of pre-consultation and coverage plots as appropriate).
- General Background Information for Telecommunications Development.
- Health and Mobile Phone Base Stations document.

This application has been prepared in accordance with the industry Ten Commitments to Best Siting Practice.

The enclosed application is identified as the most suitable option that balances operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

Furthermore we would like to assist the Local Planning Authority and would like to offer to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any reasonable additional information in relation to this application.

You are reminded that the time period for a decision on this application is specified in Paragraph 23(d) of Part 20, Class 67 as defined in the Town and Country Planning (General Permitted Development) (Scotland) Amendment Order 2017 and nothing in this letter permits, allows or agrees to an extension to that time period.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully
