Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **Extensions and alterations to dwelling at Mulberry Cottage 13 Green Lane
Thornham Norfolk PE36 6NG**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. As the property lies within an area at risk to flooding, please complete the simplified Matrix and return it. The Matrix can be found at https://www.west-norfolk.gov.uk/info/20173/information_for_planning_agents/231/flood_risk_information

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Miss Sandra Homcenko**

Yours faithfully

Executive Director
Environment and Planning
