Metal Inventory
poles and special security bolts

x4 metal poles **12** feet long (12ft if built on grass/dirt and 8ft if built on concrete)

x3 metal poles **8**

x4 metal poles **2** feet long

x4 3-way elbow

x6 T-way bracket

x4 flange bracket

All poles will have to have a small measure cut off on site to allow the 4x8 boards to seem up at corners.
