## 4. Description of Proposed Works

Please describe the proposed works:

Our gate urgently needs replacing. It is currently 1.25m and we are going to replace it with a solid wooden fence. We wish to raise it to a height of 2m at the same time. The reason that we want to raise it as that directly outside our gate is a busy footpath intersection where people often stand and talk, and in the evenings people often sit drinking or smoking on the little low fence. We have a young child and another on the way and wish to gain some more privacy and safety for our family.

Has the work already been started without consent?  Yes  No

## 5. Materials

Does the proposed development require any materials to be used externally?  Yes  No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material):

Boundary treatments (e.g. fences, walls)	
Description of existing materials and finishes (optional):	wood - painted. I think the term to describe it is field gate style
Description of proposed materials and finishes:	wood - varnished. It would be tongue and groove.
