4. Description of Proposed Works

Please describe the proposed works:

Move existing 6ft fence line out to property boundary.
New fence will replicate the existing fence,
From the existing gate (which is going to remain in situ) the new fence will then move out to the boundary with the pavement.
This will increase the size of the rear garden, allowing the house owner to make full use of their land as other local house holders in the near vicinity have done.
This will also stop the constant rubbish and dog fouling being deposited on the land.
The new garden will encompass the ornamental cherry tree where it will continue to be maintained.
