

# Brockmuir Croft

B9010 from FORRES

Existing small Spruce tree to be removed and a new "Crataegus Paul's Scarlet" planted within the garden to replace it.

New pedestrian gate currently in place to remain shown Red.

Existing small Beech tree to be removed and a new "Sheerwater Seedling" planted within the garden to replace it.

Proposed new fence line shown Magenta located to provide an improved visibility splay of 2.4m x 36m or thereby at the junction. Area between proposed fence and carriageway to be adopted as part of the public road verge. New fence to match existing 1.5m high, 100mm wide vertical boards on 3 rails all pressure treated white wood timbers.

Existing fence to be removed shown green.

New fence currently in place to remain shown Red.

Existing hedge
