Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Strongly opposed to the plan to the large development on broke hill as part of the Fort Halstead plan. In addition to reducing the area's precious green belt the proposed development will place tremendous strain on public resources particularly public transport and GP surgeries, the latter of which are massively over subscribed, taking several weeks to obtain a standard appointment.

██████████ I'm also very aware of the lack of spaces at local nurseries. The proposed development will only exacerbate this issue. I making it extremely difficult for working parents to find good childcare.

These are only some of the issues of the proposed development, further were outlined in more detail in the letters from the Knockholt society.

I hope that the application will be reviewed with these issues in mind and that the addition of 300 further houses will be rejected.

Regards

Nicole
