ancient woodland

crash map shows many accidents on star hill and Polhill

it will only be a couple of miles to green street green Orpington - where the urban sprawl begins - developments are already creeping along court road (bromley borough) and bromley common

green belt is there to prevent urban sprawl and the erosion of the country side, broke hill was refused, as was the crematorium on Polhill, telecoms equipment on poll hill as was the land opposite star house star hill road

635 houses

2540 people(4/house)

1270 cars (2/house)

possibly an additional 2540 cars on polhill, star hill (class c road) and surrounding roads/day from housing

plus, additional vehicles for workers and deliveries to/from businesses, school employment for up to 1000 jobs - adds a possible 2000 extra car journeys' as it is unlikely everyone living here will be employed here

closest supermarkets otford and riverhead pushing more traffic along already congested roads
