

13 The Meadows

Halstead

Sevenoaks

Kent TN 14 7HD

20th October 2019-10-20

Dear Sir,

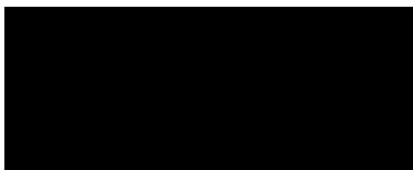

We are bitterly opposed to the large scale developments proposed for both Broke Hill and Fort Halstead.

If all the proposals are accepted the result would be nearly 2,000 extra dwellings which would triple the existing number of houses in Halstead. The result will join Halstead and surrounding villages in a sprawl to the boundary with Greater London. Some of the proposals are on Green Belt land that should remain sacrosanct.

While appreciating the need for some small scale developments the impact of such large scale schemes will increase pollution with more cars on narrow roads, some with no footpaths, reduce space for recreational purposes for people in surrounding towns, have a detrimental effect on wild life and occupy land which can never be recovered for public use.

We strongly oppose the large scale development proposed for both Broke Hill and Fort Halstead.

Yours faithfully

Mr. M.T. Waite

Mrs. G.R. Waite
