Dear Sir/Madam

Revised planning application
for Fort Halstead, 750 houses

Your Ref:- 19/05000/HYB.

Please reconsider the above. It's going to merge all the villages together so we all lose our identity. The roads and traffic will be a mess. We have lots of traffic through Knockholt as it is and this is going to make it a lot worse. Please don't use our Green Belt, once it's gone, it's gone and cannot be reversed. There will be too many people juggling for space, not only here

PTO

but in the other proposed areas. People want to move to the country side but there won't be any left. Please don't do it. Take this proposal off your agenda, and reconsider the others as well.

Yours faithfully

P.S I moved to this village 17 yrs ago because it was countryside and I love it.
