Dear Claire Shearing,

As a homeowner in Otford, I object to the amended application as follows:

1. A change from 750 to 635 houses is not a big enough reduction. Also, I understood that the intention was that the numbers of houses would be built up gradually to complement the development of light industry at the same rate.
2. Some infrastructure is noted but I see nothing about a medical centre which surely must be needed.
3. There will be a huge increase in traffic, particularly through Otford.

Best wishes,  
Nick Fothergill
