Dear Sir/Madam,

We are taking the liberty in writing to you regarding the above proposal. We fully concur with The Knockholt Society's Chairman, Tony Slinn, in his excellent and thorough letter to you regarding the existing and future potential hazards that this development would create.

Apart from the obvious traffic concerns, houses built in this number without the necessary infrastructure is lunacy.

Sevenoaks and its surrounding areas are already struggling to support its citizens with doctor and dentist surgeries, schools and shops.

The Green Belt is being eroded and should this development be granted we believe not only will the present residents suffer, but also those in the future where fewer green spaces for families will be available for relaxation.

We implore you not to grant this scheme in the interests of long-term damage to the environment.

Yours faithfully,

Mr Fraser I Mair

Mrs Jean M Mair
