Att. Ms. Claire Shearing

Dear Ms. Shearing

I am writing today to Formally object to the above mentioned proposed development at Fort Halstead. In my view and many other residents, any form of development on this scale is wholly out of keeping with our lovely green belt area. As can be witnessed in the village of Halstead itself, there is considerable disruption to facilities, through traffic and noise, caused by just one or two houses being constructed, so it's obvious what disruption to Knockholt residents will be caused by hundreds of houses. Not only that, but the tranquility enjoyed by Knockholt and surrounding villages, will have to endure a construction blight for years to come, as it stands to reason that not every vehicle will go in and out of the Polhill entrance and people crossing the road, or indeed walking it where there is no pavement, will be taking their lives in their own hands.

Yours sincerely  
Ralph Allen
