Subject: Amended planning application for Fort Halstead Ref: 19/05000/HYB

Dear Sir/Madam,

We have followed with interest the many inconsistent twists and turns performed by Sevenoaks Planning over the last several years regarding Fort Halstead. It saddens us that the powers that be in Sevenoaks planning seem determined to comply with the wishes of the developers and it makes us question their impartiality.

[REDACTED]

We fully support the objections by the Knockholt Society to the amendment involving the proposed development of 635 homes at Fort Halstead.

Kind regards,

Brian and Olivia Lewis
