COMMUNITY & PLANNING SERVICES

Dear Sir/Madam,

Planning application 19/05000/HYB

with reference to the above,

I object strongly to the number of homes and other facilities proposed as follows:-

- ① This area of Green Bell has already had an excessive number of new homes proposed.
- ② There would be significant destruction of woodland & significant trees - I am the Halstead Tree Warden.
- ③ There would be a huge increase in traffic in an area which is already experiencing an increase.
- ④ There is already a Primary School in the area.
- ⑤ There would be further demands on local utilities.

I would urge you to prevent more excessive urbanisation of this rural area.

Yours faithfully,

(MRS)
