Comment Details

Commenter Type: Interested Parties

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to this proposed development at Fort Halstead.

My reasons for this are that the increased car capacity will cause too much traffic around our village and the roads just would not be able to cope with it.

Additionally part of the planned development requires the release of Green Belt control without any benefits being obtained by the current villagers.

I hope the Investigators will take note of my feelings when making their decision.
