Dear Sir/Madam

We first commented on the so-called 'Employment-led' Fort Halstead development in our letter to you dated Friday, 21 August 2015. We followed this with other letters as various amendments/applications were sent to you.

Most of the comments we made—even in the initial letter—still stand and therefore should not need to be repeated. We understand that those comments will be considered when the decision is made on the amended application.

Today, 23rd July 2020, *The Knockholt Society* wrote to you with regard to this 'Amendment Consultation'. We support everything the Society said in that letter. Again, please take that into account; we should not have to repeat the Society's comments here.

We look forward to seeing SDC rescind planning permission for this development.

Sincerely,

[REDACTED]
