Dear Ms Shearing,

Re Amended Planning Application Fort Halstead Ref 19/05000

I have previously written to the council stating my objection to prior applications for the development of Fort Halstead. I do not propose to reiterate previous objections detailed in my letters of the April 2015 and October 2019 as they are equally applicable to the amended application 19/5000. ---

I find this proposal to construct 635 houses totally unacceptable in the light of the original ethos of the approved live work scheme and the high density of dwellings per acre.

I ask once again request the planning department reject this application.

Regards Bernard Holloway
