Comment Details

Commenter Type: Interested Parties

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to this planning application as I do not consider this village has the need for a development of this size.

Also I feel that there is no practical gain to myself or other villagers by the use of designated Green Belt land.

Additionally the proposed development has access from only two existing roads onto already over used roads and further addition of the number of houses planned will introduce an enormous amount of traffic into our rather restricted village road structure..

I therefore request that you request the Inspectors to vote against acceptance of this application.
