Dear Sir/Madam

You would have received our comments dated 29<sup>th</sup> October 2019 and 23<sup>rd</sup> July 2020 in regard to the planning application for redevelopment at the Fort Halstead site. Most of the comments made in these letters still stand good and therefore should not need to be repeated.

Having read the submission made by the Knockholt Society on 4<sup>th</sup> April 2021 in regard to this Amended Consultation we 100% support the case made by the Society as this covers all the relevant points that need to be taken into account.

We understand that comments already made will be considered when the decision is made on the amended application.

Yours sincerely,

Mr Brian Brett and Mrs Judy Brett
