Subject: Fort Halstead 19/05000/HYB

Dear Sirs,

I have already commented on the original application and I understand that my earlier comments will be taken into account in the new application.

However, I would like to say :

The reduction in the number of houses in the new application is not significant and does not alter my objections. Outline permission has been granted for 450 houses and this should be adhered to.

The proposed density of housing is far greater than the average for the area and is inappropriate.

The proposed vehicle entry / exit from the site onto Star Hill Road is dangerous and will create unacceptable volumes of traffic through local villages with few pavements, large numbers of pedestrians and dog walkers and large numbers of cyclists.

Yours faithfully,

Neil Rae
