Subject: Fort Halstead development 19/05000

With reference to the proposed development and amendments of the Fort Halstead site ,I wish to register my objections.

The site is to be overdeveloped.

The original job creations are reduced or missing.

The increased traffic will be very detrimental to the local area especially Knockholt .

The surrounding roads are not designed to take increased traffic.

If the Star Lane exit is to be used a significant danger is anticipated from poor visibility and the present use of this road by cyclists.

If snow or ice present very dangerous hills and roads into Sevenoaks. So likely to increase traffic towards Bromley and Orpington .

I hope you take these objections into consideration at the planning meeting.

Ann Gleeson
