7. Description of Proposed Works, Impacts and Risks

Please describe the proposed development, including:

- The siting and location of the building(s); and
- From 1 August 2020, details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

The application is seeking prior approval for the conversion of existing vacant agricultural buildings. The footprint remains unaltered and access from a private road from Bury Road remains unchanged. The buildings have become obsolete for use as agricultural buildings and therefore would be suitable for conversion to residential use. Please refer to application drawings for detailed design.

Are any associated building works or other operations required to make this change?

☒ Yes ☐ No

Note that such works are restricted to those listed below that are reasonably necessary to convert the building(s) for use as a dwellinghouse:

- the installation or replacement of windows, doors, roofs, or exterior walls;
- the installation or replacement of water, drainage, electricity, gas or other services;
- partial demolition to the extent reasonably necessary to carry out the works listed above.

7. Description of Proposed Works, Impacts and Risks

If yes, please provide details of the design and external appearance of the building(s) in regard to these building works or other operations:

Replacement of roofs and exterior wall cladding in black timber boarding. Installation of new timber windows, doors and services. Grey metal downpipes.
Please refer to application drawings for detailed design.

Please provide details of any transport and highways impacts and how these will be mitigated:

Unaltered access arrangement. Required no. parking spaces per dwelling provided.

Please provide details of any noise impacts and how these will be mitigated:
