Good morning Sarita

Please find attached an amended application form. Drawing 100 rev. PL5 contains the light spill information whereas drawing 301 rev. T3 shows only the location of the external lighting and CCTV. For the purposes of the NMA I think 301 rev. T3 is the most appropriate.

Thank you

Regards

Good afternoon Hannah

Thank you for your e-mail and attachments.

The application form continues to reference the extension to the footpath. Please remove this.

Please also clarify which plan we are to use for the changes to the lighting as there is a plan in the assessment document 100 rev PL5 and also a new plan 301 rev T3.

The application remains invalid awaiting the above.

I look forward to hearing from you and, as ever, happy to discuss

Kind regards

Sarita
