Dear Nicola,

Re: Biodiversity Checklist - Rear of 16 Salisbury Street, Fordingbridge, Hants SP6 1AF

This letter is to confirm that an ecology report is not required to accompany this application, as I am satisfied that the proposal will not have an adverse impact on any features identified in Sections 1, 2 or 3 of the Biodiversity Checklist, ie, River Avon System Special Site of Scientific Interest (SSSI)/River Avon Special Area of Conservation (SAC).

Should you require any additional information, please don't hesitate to contact me.
