The Contractor is to check and verify all building and site dimensions, levels and sewer invert levels at construction. The Contractor is to comply with all relevant specifications: Building Regulations, Construction Design & Management, Party Wall Act etc. whether or not specifically stated on the drawings. The drawings are to not be used for any other purpose without the express written authority of Peter Richards & Co. Where existing trees are to be retained they should be subject to a full Arboricultural Inspection for safety. All trees are to be planted to sit to ensure they are a minimum of 5 metres from any proposed foundations to be provided to accommodate the proposed tree planting. Peter Richards & Co do not accept any responsibility for any damage to or loss of any trees or plants on the site arising out of the Client (its Developer or Contractor) but not limited thereto) non-compliance with these mentioned provisions. It is the property of Peter Richards & Co and may not be copied or used for any purpose other than that for which it is supplied without the express written authority of Peter Richards & Co.
