

SECTION 7. ADDITIONAL SHEET, TREE WORKS
AT 7 GROVEHILL CRESCENT, FALMOUTH, TRILL SHIP.

* TO BE READ IN CONJUNCTION WITH 1:500 SITE PLAN.

1. Tree A. Mimosa. Crown reduce by approx 2m. plus removal of annual shoots.
2. Tree B. Bay. Reduce height by 2m. to level of adjoining Azuba hedge.
3. Tree C. Myrtle. Cut back by approx 1m on West side to rebalance and to reduce impact on lawn area.
4. Tree D. Copper Beech. Remove annual growth shoots.
5. Tree E. leylandii (T12) remove lower branches to boundary to increase light to garden.
6. Tree F. Yew (T6) Remove lower branches overhanging into garden at boundary lines.
7. Tree G. (T5) possible future removal of overhanging elements to boundary.
8. General pruning to other garden small trees and shrubs.

N.B. A comprehensive Tree survey was undertaken recently by OBJECTIVE TREE CONSULTANTS in connection with Planning Application ~~PA20/01018~~ PA20/01018. A full description of Cornwall Council's trees and neighbours' tree (E) (T12) is in their Report.
