|-------------------------------------|-------------------------------|----------------------------------------------------------------------------------------------|
| <input type="checkbox"/> | Insufficient Fee | The correct fee for this application is £_____ and an additional sum of £ _____ is required. |
| <input type="checkbox"/> | Fee Required | The fee for this application is £ _____. |
| <input type="checkbox"/> | Ownership Certificates | Please complete the enclosed ownership certificate. |
| <input checked="" type="checkbox"/> | Inadequate Plans | The following additional plans are required: |

- Existing and proposed floor plan for the garage;
- Unobscured existing and proposed elevation plans of the garage and garage extension;
- The site/location plan does not match up with the proposed ground floor plan – please amend;

- It is noted that the proposed extensions to the dwellinghouse and garage may be permitted development. However, it is unclear from the submitted plans. To allow me to determine whether planning permission is required I would be grateful if you could submit a proposed site plan to show areas of hard and non hard surface and any areas of development within the rear garden.

Design Statement (*Validating officer to confirm which statement is required*)

The application is _____
Please submit a Design/Design and Access Statement complying with Regulation 13 of the Town and Country Planning (Development Management Procedure) (Scotland) regulations 2008.

Section 42 Statement Please confirm in writing that the application is being made under Section 42 of the Town and Country Planning (Scotland) Act 1997.

(Section 42 applies to applications to develop land without complying with conditions attached to a previous planning permission; a statement confirming that the application is made under Section 42 is required for all applications that seek to remove or amend conditions attached to previous planning permissions.)

Coal Mining Risk Assessment Your application is within an identified Coal Risk Area and as such a Coal Mining Risk Assessment (CMRA) is required.
