5. Grounds for Application

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Class B of the General Permitted Development Order 1995 only covers the enlargement of a dwelling house consisting of an addition or alteration to its roof. Your proposal diminishes the bulk of the dwelling house and therefore on strict interpretation class B cannot be applicable.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use. Please note that following changes to Use Classes on 1 September 2020, the list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.
