Hi,

Yes, the measurements are for each tree as they are both similar.

Many thanks for your help and patience as this is the first time I have applied for the planning process.

Best Regards,

Sundeep Nath

Hi Sundeep

I will need the height and spread of the tree prior to pruning in metres in order to validate the application.

Regards

Rachel

Hi Rachel,

Thank you for your reply and please note the following:

Mature 2 x Lime tree on front boundary, crown reduced by 5 meters to leave a well-balanced shape. All branches to be cut to the nearest available growth point. Branches encroaching on Necille close footpath and property to be cut back to leave a clearance of 2 meters.

I trust this helps and look forward to hearing from you.

Best Regards,

Sundeep Nath
