Re: Tree Works Application for – Fines Bayliwick House Hotel London Road Binfield

Thank you for your recent application for tree works, which the Council received on 19th April 2021.

Unfortunately we can not accept this as a valid application as there is insufficient detail on your application. Please see below the points that require further detail.

- 1 Crown Reduction - The amount of reduction proposed should be stated in terms of the intended height and spread of the tree before and after pruning in metres.

Should you require the services of a tree specialist, I attach a list of contractors the Tree Service regularly use, alternatively you can visit the Arboricultural Association's website www.trees.org.uk.

Could I please ask that you to provide the details requested by **25th May 2021**. Unfortunately if I do not receive this information I will have to return your application to you.

Yours sincerely
