

WASTE MANAGEMENT STRATEGY

14,737

**PROPOSED RESIDENTIAL DEVELOPMENT: LOWER GROUND FLOOR
25-33 CENTRAL ROAD DIDSBURY M20 4YE**

Application number: 130030/FO/2021

Proposal: Conversion of lower ground floors to create 5No. 2 bed apartments.

Location: 25-33 Central Road, Manchester, M20 4TE

The development will be provided with the following bins for general waste and recycling for the existing 20No. apartments and the additional 5No. proposed apartments:-

Refuse/General Waste

2 x 1100L bin

Total = 2200L

Pulpable Waste

1 x 1100L bin

Total = 1100L

Co-mingled Waste

1 x 1100L bin

Total = 1100L

These refuse bins will be located within the designated bin store area. Refer to Proposed site layout for further information.

The bins will be collected by the Local Authority once a week.

Each property will be provided with a Kitchen food waste caddy and biodegradable bags.
