Hi Oliver,

The works we wish to have carried out on Willow (T2) is the removal of approximately 7 branches.

These range in size from 2 large branches as can be seen marked with a blue line in attached photo T2 2 Mkd.jpg and 5 smaller branches that are growing over our neighbours gardens either side of ours. These have also been highlighted in blue within photos T2 1 Mkd.jpg, T2 3 Mkd.jpg and T2 4 Mkd.jpg.

There will be no reduction in the trees crown. Please let me know if you require further clarification.

Many thanks in advance.

Kind Regards,

Matt

Good Afternoon Mr Nicholson

Thank you for your application.

On the application form, you state that the Willow tree (T2) is to be trimmed and will have some branches removed. Please could you clarify - in addition to the two branches being removed over the public right of way - what works you wish to carry out to the Willow tree.

If you wish to reduce/trim the crown, please could you provide an approximate measurement in feet or metres as to the amount you wish to reduce the crown by. If you wish to remove branches, please could you state how many you wish to remove. Alternatively, this can be illustrated on photographs.

Please could you provide the above information via email at your earliest convenience as I am unable to proceed with the validation of your application without it.

Kind regards

Oliver Robson
