Good Afternoon Mr Russell

Thank you for your application.

Due to Stapleton Court being covered by a Tree Preservation Order, please could you provide the species of the tree that is obstructing the streetlight as this has not been specified on the application form.

Furthermore, on the application form, you have put yourself down as both the applicant and the agent. Please could you clarify whether you are carrying out the works to the trees on behalf of the owner or a third party. If your client is not the owner, please could you provide your client's name, address and contact details as the owner will need to be informed as to who has applied for the works.

Please could you provide the above information via email at your earliest convenience as I am unable to proceed with the validation of your application without it.

Kind regards

Oliver Robson
