Dear Sir/Madam,

Please find enclosed an urgent application for a Certificate of Lawfulness of Proposed Works to a listed building for work completed on my house.

The work was to replace 3 rotten windows, like for like, and to repoint the house, again like for like.

I enclose four photos of the parts in question as they are currently.

I will pay for this application, as indicated on your information, by card over the phone when requested.

Enclosed are 3 copies of all forms plus the original. In addition 3 sets of 4 photos to assist in this.

I would be very grateful if you would expedite this application as quickly as possible, as I am requiring this for a house sale.

Your faithfully
