Dear Sirs

**Re: Planning Application – Alston Farm, Alston, EX13 7LG**

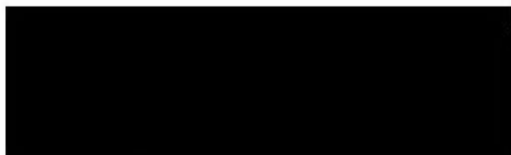

I write with regard to the above planning application.

My clients are proposing to erect a livestock building, which is required for agricultural purposes.

This proposal is to support the long established farming business. The building is required for the housing of the existing livestock which following a change in farming structure and persistent tuberculosis in the herd necessitate the new building.

I trust the above is in order and if I can be of any further assistance please do not hesitate to contact me.

Yours faithfully

**Toby J Bateman BSc(Hons) MRICS FAAV**
