Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **Steel framed Agricultural Building at Long Meadow Farm Church Road Tilney
All Saints Norfolk PE34 4SW**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. Taking the measurements on the drawing the building is $36.786 \times 33.262 = 1,223.57$ square metres. The fee is £462 for the first 540 square metres and then £462 for every 75 square metres or part thereof.
I calculate this to be an additional $10 \times £462.00$.

Total fee £5082.00 - £4158.00.

Additional £924.00 required.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Mrs Lesley Raby**

Yours faithfully
