12. Biodiversity and Geological Conservation

To assist in answering the following questions refer to the help text. The help text provides further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.

Having referred to the help text, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

a) Protected and priority species

- Q Yes, on the development site
- Q Yes, on land adjacent to or near the proposed development
- 🖲 No

b) Designated sites, important habitats or other biodiversity features

- Yes, on the development site
- Yes, on land adjacent to or near the proposed development
- No

c) Features of geological conservation importance

- Q Yes, on the development site
- Yes, on land adjacent to or near the proposed development
- 🖲 No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

13. Foul Sewage

Please state how foul sewage is to be disposed of:

Mains Sewer

Septic Tank

Package Treatment plant

Cess Pit

Other

Unknown

Are you proposing to connect to the existing drainage system?

○ Yes ○ No ⑧ Unknown

Yes No

Yes ONO

14. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste and have arrangements been made for the separate storage and collection of recyclable waste?

If Yes, please provide details:

Separate Containers for recyclable and non recyclable

15. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

16. Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units?

If you answered "yes" to the question above, please specify the existing and proposed number of market and affordable dwellings on the attached plans

17. All Types of Development: Non-Residential Floorspace		
Does your proposal involve the loss, gain or change of use of non-residential floorspace?	No	
18. Employment		
Will the proposed development require the employment of any staff?	No	
19. Hours of Opening		
Are Hours of Opening relevant to this proposal?	No	
20. Industrial or Commercial Processes and Machinery		
Does this proposal involve the carrying out of industrial or commercial activities and processes?	No	
Is the proposal for a waste management development?	No	
If this is a landfill application you will need to provide further information before your application can be determined. Yo should make it clear what information it requires on its website	ur waste planning authority	
21. Renewable and Low Carbon Energy		
	No	
22. Hazardous Substances		
Does the proposal involve the use or storage of any hazardous substances?	No	
23. Neighbour and Community Consultation		
Have you consulted your neighbours or the local community about the proposal?	No	
24. Site Visit		
Can the site be seen from a public road, public footpath, bridleway or other public land?	© No	
If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one) The agent The applicant Other person 		
25. Pre-application Advice		
Has pre-application advice been sought from the local planning authority about this application?	No	
26. Authority Employee/Member With respect to the Authority, is the applicant or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member		
Do any of these statements apply to you?	No	

27. Ownership Certificates

Certificate of Ownership - Certificate B - Town and Country Planning (Development Management Procedure) (Wales) Order 2012

I certify/the applicant certifies that I have/the applicant has given the requisite notice to everyone else (as listed below) who, on the day 21 days before the date of this application, was the owner (owner is a person with a freehold interest or leasehold interest with at least seven years left to run) of any part of the land or building to which this application relates.

Owner/Agricultural Tenant

Name of Owner	Kate Nolan-Rice
