

Do not scale for construction purposes from this drawing. This drawing is copyright and may not be altered, traced, copied, photographed or used for any purpose other than that for which it is issued without written permission from ADS-St.Ives.

The General Contractor is to check all dimensions on site and report discrepancies to the Designer.

All details shown on this drawing are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions unless reported to the Designer, so that design amendments may be considered.
