Subject: RE: Tree works application 2021/1093 - Fortune Cottage, The Street, Shotesham
Attachments: T2 - details.jpg, T2 - details2.jpg,

Dear Lisa,

Attached are additional photos from both sides with the branches identified B1,B2 and B3.
A tree surgeon will be doing the work so the final dimensions are approximate.

- B1 - currently 7.5m down to 2m
- B2 - currently 9.5m down to 3m
- B3 - 3 or 4 non leafing branches to be removed.

B1+B2 are about 8.5m high at the trunk.

Do you need me to upload this detail to the application?

Regards,

Martin Sewell

Subject: Tree works application 2021/1093 - Fortune Cottage, The Street, Shotesham

Dear Martin

Thank you for the above application we received on 11 May 2021.

Please confirm the approximate current and finishing measurements of the lower branches to be reduced on the Blue Eucalyptus (T2) – it would be helpful if you were able to indicate which ones on the photo.

Once this information is received I can validate the application.

Regards

Lisa Griffin
