Hi Pam,

Please find confirmation from NWL below that there is no NWL sewer within close proximity to the site. Can you confirm this and the FDA1 form are sufficient for validation.

Hi Amanda

I have checked the property at a 1000 meter radius and have no sewers owned by ourselves in the area.

Kind regards

Hi Hannah,

Thanks for those - however, the scaled map to accompany the Foul Drainage Assessment has not been submitted (see Point 2 of my previous letter for further information).

I look forward to receiving it in order that the application can be registered.

Thanks.
