

Single storey extension; retention and replacement of a number of UPVC windows including an exterior door at Orchard Cottage, Main Street, Fotheringhay, Peterborough, Northamptonshire, PE8 5HZ .

Alterations to Existing Building – Schedule of works.

- Existing windows (retrospective) – no work requirements already installed.
- New doorway – remove existing window and carefully get out masonry below too FFL, temporary support over before widening opening and installing new lintel to form new opening. Install new SW painted timber door as drawing and make good (surround) in close matching materials.
- Existing Kitchen/Link – get out door and cart away, brick up existing opening, form new opening into proposed link and support masonry by inclusion of new lintel/s over. Make good (surround) in close matching materials
