01 April 2021

Dear Sirs,

RE: Nationwide Building Society, 14 Market Square, Westerham, Kent, TN16 1AW.

I write with reference to the planning application for listed building consent that has been submitted to you by our appointed building contractor E J Parker.

Since the time when the Society's branch was seriously damaged by ram-raid at the end of October 2020, we have been limited in our capacity to offer our usual range of financial services to our members resident in and around the town. This has largely been due to the temporary branch frontage in situ whilst we have been working closely with our contractor to prepare for the installation of the permanent shop frontage on "like for like" basis of the original design.

I would be grateful for your earliest consideration of our planning application so we may complete the installation and decoration of our new branch frontage and return the visual heritage of our premises in Westerham.

Yours faithfully,

Darren Brown

Facilities Manager (Retail)
