Dear Beth,

MOD Safeguarding – Warton Aerodrome

Proposal: Installation Of Two Dormers To Front To Replace Existing Dormer, Erection Of Replacement Porch To Front, Installation Of Dormer To Rear With Juliet Balcony, And Single Storey Rear Extension.

Location: 8 Cedar Avenue, Bryning With Warton, Preston, Pr4 1db

Grid Ref: 340793, 428579

Thank you for consulting the Ministry of Defence (MOD) on the above proposed development which was received by this office on 19th May 2021.

The development includes the reconstruction of front entrance porch, a single storey extension to rear, a dormer window construction at first floor level to front and a dormer extension at first floor level to rear.

The application site resides in the statutory safeguarding zones surrounding Warton Aerodrome. In particular, the aerodrome height, and technical safeguarding zones surrounding the aerodrome and lies approximately 1km East of the aerodrome.

After reviewing the application, I can confirm the MOD has no safeguarding objections to this proposal.

I trust this is clear however should you have any questions please do not hesitate to contact me.

Yours sincerely

Teena Oulaghan
Safeguarding Manager
