Dear Sir or Madam

**TOWN AND COUNTRY PLANNING ACT 1990**

Details: **Rebuild brick wall to 1m high with 2m brick pillars and new vehicle entrance at 1 Lakelands Hockwold cum Wilton Norfolk IP26 4NJ**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. As you will have to lower the new pedestrian access the fee for the application is actually £234. Please provide the additional fee of £28 at your earliest convenience.
2. Unfortunately I can't scale off the three jpeg plans, could you please send them as PDF's.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Mrs Rebecca Bush**

Yours faithfully

Executive Director  
Environment and Planning
