

Court House Planning application for proposed double garage.

Hale Ln, Painswick, Stroud GL6 6QE

05.03.21

Design Statement

Historically there was a double garage further to the western side of the property to the barn. We wish to reinstate the previous dilapidated building with a more "in keeping" oak building, in the area where the cars are always parked at Court House.

Many Listed Cotswold homes have this form of open Oak carport throughout the county.
