

Refuse and Bicycle Storage Information for 34 Christchurch Avenue, London, NW6 7QR

To be read in conjunction with Planning Application No.18/0586

Proposed Refuse Store:

BIN STORAGE

Handmade storage to house your bins and recycling are available to match our Pedalbase 3 model.

Available in natural finish, oiled or the colours below.

WHEELIE BIN SOLO:

W: 750mm (870mm lid)
D: 900mm (1010mm lid)
H: 1335mm

WHEELIE BIN DUO:

W: 1350mm (1470mm lid)
D: 900mm (1010mm lid)
H: 1335mm

WHEELIE BIN TRIO:

W: 1900mm (2020mm lid)
D: 900mm (1010mm lid)
H: 1335mm

Proposed Bicycle Store:

PEDALBASE 5

Larger than the Pedalbase 3, but retaining the low-profile, the Pedalbase 5 is the perfect solution if you're looking for smart, secure and unobtrusive bike storage.

Available in a natural finish, oiled or in the colours below:

PEDALBASE 5:
W: 2200mm (2320mm lid)
D: 1200mm (1305mm lid)
H: 1335mm
5 adult bikes

Colour Options

NOTE: The above images do not represent the finish of the proposed refuse and bicycle stores.

The proposed refuse and bicycle stores will be in dark oiled timber finish similar to the following image:
